

# Streets for Spatial Distancing

Improving pedestrian health, safety, and connectivity in our parks  
during this time of social distancing.

# Messaging:

In addition to the road closure sign, additional signage would be posted at the barricades and along the park road

## Making Space for Social Distancing

To prevent the spread of COVID-19 the park road will be closed to vehicular traffic to allow for additional spatial distancing.

Please keep a safe distance from your neighbors, do not congregate and enjoy the park.
